Guaranty Trust Holding Company plc

ACQUISITION OF INVESTMENT ONE PENSION MANAGERS LIMITED

Lagos, Nigeria – February 7, 2022: Guaranty Trust Holding Company plc (GTCO plc), is pleased to inform The Nigerian Exchange Limited and the investing public of the completion of the acquisition of 100% shares in Investment One Pension Managers Limited (“the Acquisition”).

Commenting on the completion of the Acquisition, Mr. Segun Agbaje, Group Chief Executive Officer of GTCO said “This acquisition is in line with the evolution of the Guaranty Trust brand in becoming a fully-fledged financial services company, with the capabilities and drive to deliver end-to-end financial services to every African and African business. With over 30 years of being a trusted banker to millions of Nigerians and expertise in capital allocation to generate the highest yields for our customers and shareholders; the Pension Fund business is a natural fit for the Guaranty Trust brand. Also, our bias for the highest standards in corporate governance will ensure transparency in how we manage the funds under our management, which will ultimately make us the preferred Pension Fund Administrator, not only in the Nigerian market, but also in Africa”.

He further stated that, “Whilst evolving as an organization, we remain committed to our founding values of excellence, hard work and integrity, as we continue to build a Proudly African and Truly International brand for millions of people in and outside of Africa”.

Following the completion of the Acquisition, the new subsidiary will function primarily as a Pension Fund Administrator to the general public.

All regulatory approvals have been obtained for the Acquisition and commencement of operations.

Thank you.
