DELAY IN PUBLICATION OF THE GROUP'S AUDITED INTERIM FINANCIAL STATEMENTS FOR HALF YEAR ENDED JUNE 30, 2023

Access Holdings Plc ('the Company') wishes to notify the investing public and the Nigerian Exchange Limited ('NGX') of a potential delay in the publication of the Company's Audited Interim Financial Statements for the Half Year ended June 30, 2023 ('the Results').

The Company had, on August 14, 2023, requested and obtained the approval of NGX for the Results to be filed on or before September 15, 2023, subject to the approval of the Central Bank of Nigeria ('CBN'), due to post-audit completion matters.

In line with NGX' approval, the Company had submitted the Results to the CBN for its approval. However, in view of the length of time estimated for the CBN to review the submitted Results, it is envisaged that the Company may be unable to meet the timeline of September 15, 2023, for publication of the Results.

Based on the foregoing, the Company has sought and obtained an extension of time to file the Results on or before September 30, 2023, subject to CBN's approval of the Results.

The Company's insiders are hereby reminded that the earlier declared closed period in respect of transactions on its securities remains in place until 24 hours after release of the Results.

Thank you.
