2 Basis of Preparation

These unaudited interim financial statements for the Six months ended June 30, 2024 have been prepared in accordance with IAS 34. 'Interim financial reporting'. The interim financial statements should be read in conjunction with the annual financial statements for the year ended 31 December 2023, which have been in accordance with IFRS.

3 Significant accounting policies

The accounting policies adopted are consistent with those of the previous financial year

4 Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these condensed interim financial statements, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2023

5 Revenue recognition

Revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the enterprise and the amount of the revenue can be measured reliably. Revenue is the fair value of the consideration received net of taxes and discounts. Revenue from sales of goods is recognised when delivery has taken place and transfer of risks and reward of ownership has been completed. Revenue from service rendered is recognised immediately the service is completed and a service delivery form is issued. When services are provided in phases, revenue is recognised on completion of each phase of the project.

6 Property, plant and equipment

Items of property, plant and equipment are initially recognised at cost. As well as the purchase price, cost includes directly attributable costs and the estimated present value of any future unavoidable costs of dismantling and removing items. The corresponding liability is recognised within provisions.

7 Cash and Cash equivalent

Cash and Cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less. For the purpose of the statement of Cashflows bank overdrafts are shown within loans and borrowings in current liabilities on the consolidated statement of financial position.

Security Trading Policy

The Board and Directors has approved a Securities Trading Policy which prescribes a code of behaviour for Directors, management of the company, external advisers and other related persons in possession of market related information.

The code prohibits these persons from dealing in the company's securities during closed periods in accordance with the Provisions of the Investments and Securities Act and post listing Rules of the Nigerian Stock Exchange. All insiders are notified of closed periods through written or electronic communication from the Company Secretary. The Securities Trading Policy is available on the Company website.
