

Airtel Africa plc

("Airtel Africa", or the "Company")

Announcement of Interim Dividend Currency Exchange Rates

London and Lagos, 9 November 2021: Airtel Africa, a leading provider of telecommunications and mobile money services, with a presence in 14 countries across Africa, today confirms that the default currency and options on currency election for the interim dividend, (recommended by the Board to be 2 cents per ordinary share payable on 10 December 2021 to shareholders on the register at of close of business on 12 November 2021) and the currency exchange rates that will be applicable in determination of the interim dividend payment to any shareholders that qualify for and have elected to receive the interim dividend payment in U.S. dollars, GB pounds or Nigerian naira will be as follows:

Arrangements for Shareholders that hold their shares on the London Stock Exchange (LSE):

- Shareholders that hold their shares on the London Stock Exchange may elect to receive their entire dividend payment in GB Pounds or U.S. dollars.
- Partial elections are not permissible.
- Holders electing to receive a dividend should specify a choice of currency by completing the Currency Election Form and returning this to Computershare Investor Services plc.
- Shareholders holding their shares on the LSE who do not indicate their currency of choice before 26 November 2021 will receive their dividends in U.S. dollars.
- The closing date for the dividend currency election to the Company's Registrars Computershare Investor Services plc in the UK is 26 November 2021.
- Currency election forms can be obtained by contacting the Company's Registrars, Computershare Investor Services plc, on the Company's dedicated telephone line: +44 (0)370 703 0027.

Arrangements for Shareholders that hold their shares on the Nigerian Exchange Limited (NGX):

- Shareholders that hold their shares on NGX may elect to receive their entire dividend payment in Nigerian naira or U.S. dollars.
- Partial elections are not permissible.
- Holders electing to receive a dividend in U.S. dollars should complete the Currency Election Form and return this to Coronation Registrars Limited or email to eforms@coronationregistrars.com
- Shareholders holding their shares on NGX who do not indicate their currency of choice before 26 November 2021 will receive their dividends in Nigerian naira.

- The closing date for the dividend currency election to the Company's Registrars Coronation Registrars Limited in Nigeria is 26 November 2021.
- Currency election forms can found on the website of the Company's Registrar at www.coronationregistrars.com or by using this direct link: <https://coronationregistrars.com/currency-election-form/>

The following currency exchange rate will be applicable in the determination of the interim dividend payment to any shareholders that qualify for and have elected to receive the interim dividend payment:

Exchange Rate

1 U.S. dollar = 414.55 Nigerian naira

1 U.S. dollar = 0.7373 GB pounds

The exchange rate for the Nigerian naira or GB pounds amounts payable was determined by reference to the exchange rates applicable to the U.S. dollar available on 8 November 2021.
